

# Emerging SWE Sprint 3

## Sprint 3

What went well	Votes
Collaborating together and assisting when others need help with their tasks	0
The team continued to stay on task and work through the tasks in the kanban board.	0
Better understanding of tests. Good collaboration and support with team members. It is nice to add the finishing touches!	0

What could be improved	Votes
Testing continues to prove time-consuming and complicated.	2
Better time management with check-ins and updating the board	1
Inexperience with Unity is still an issue with more intricate scripts	1
Updates in the chat throughout the week	0

Next steps	Votes
Continue working on the look and feel of the game by enhancing the design.	0
Update documents/ ReadME. Merge SFX into game!	0
